

Regulars: Design Plus, Industry 4, Materials

January		Rapid Prototyping & Additive Manufacturing			Sensors, Test & Measurement	Bearings & Linear Systems	Power Trans/ Hydraulics & Pneumatics	
February			Design Software, Simulation & Analysis	Fastening/ Adhesives		Motors		Aerospace Eureka Vision - Thought Leadership Supplement
March	[Engineering Materials Supplement]	Rapid Prototyping & Additive Manufacturing			Sensors, Test & Measurement	Drives, Controls & Automation		
April			Design Software, Simulation & Analysis	Fastening/ Adhesives	Sensors, Test & Measurement		Power Trans/ Hydraulics & Pneumatics	Medical & Medtech Show preview
May		Rapid Prototyping & Additive Manufacturing			Sensors, Test & Measurement	Bearings & Linear Systems	Oil & Gas	Engineering Materials Live
June	[Engineering Materials Supplement]		Design Software, Simulation & Analysis	Fastening/ Adhesives	Sensors, Test & Measurement	Drives, Controls & Automation		Automotive
July		Rapid Prototyping & Additive Manufacturing			Sensors, Test & Measurement	Bearings & Linear Systems	Power Trans/ Hydraulics & Pneumatics	Renewables
August			Design Software, Simulation & Analysis	Fastening / Adhesives		Motors		
September	[Engineering Materials Supplement]	Rapid Prototyping & Additive Manufacturing			Sensors, Test & Measurement	Drives, Controls & Automation		Engineering Materials Live/ Engineering Design Show Preview
October			Design Software, Simulation & Analysis		Sensors, Test & Measurement	Bearings & Linear Systems		Engineering Design Show – Show issue
November	[Engineering Materials Supplement]	Rapid Prototyping & Additive Manufacturing		Fastening/ Adhesives	Sensors, Test & Measurement	Motors	Power Trans/ Hydraulics & Pneumatics	British Engineering Excellence Awards 10 th Anniversary
December			Design Software, Simulation & Analysis		Sensors, Test & Measurement	Drives, Controls & Automation		Advertising reader survey
