

MACHINERY editorial programme 2016

Month	Features					Sectors	Special reports	Exhibition previews/reviews
January	Machining centres	EDM	Quality & Metrology	Grinding, Honing & Surface finishing	Punch, Profile & Bend		2015 Product Launch Review	Southern Manufacturing preview (9-11 February, Farnborough) METAV preview (23-27 February, Düsseldorf)
February	Turning	Subcontracting	Additive manufacturing	Cleaning & Degreasing	Workholding & Accessories	Motorsport	Energy	MACH 2016 preview (11-15 April, NEC, Birmingham)
March	Tooling	Tool, Mould & Die making	Composites production	CADCAM & Production IT	Part marking & Traceability		Aerospace	MACH 2016 preview (11-15 April, NEC, Birmingham)
April	Machining centres	Subcontracting	Quality & Metrology	Sawing & Steelworking	Finance for machine tools	Medical		MACH 2016 show issue (11-15 April, NEC, Birmingham) Control preview (26-29 April, Stuttgart)
May	Turning	Punch, Profile & Bend	Deep hole drilling	Coolants & Cutting oils			Tooling, Workholding & Accessories	Parts2Clean preview (31 May-2 June, Stuttgart) Automechanika preview (7-9 June, NEC, Birmingham)
June	Tooling	Subcontracting	Additive manufacturing	CADCAM & Production IT		Heavy engineering	Launched at MACH 2016	MENE preview (6-7 July, Metro Radio Arena, Newcastle) Farnborough International Airshow preview (11-17 July, Farnborough)
July	Machining centres	EDM	Quality & Metrology	Grinding, Honing & Surface finishing	Workholding & Accessories		Energy	
August	Turning	Subcontracting	Aerospace	Sawing & Steelworking	Part marking & Traceability			AMB preview (13-17 September, Stuttgart)
September	Tooling	Punch, Profile & Bend	Tool, Mould & Die making	Cleaning & Degreasing	Composites production	Medical	Five-axis machining	MENE review EuroBLECH preview (25-29 October, Hanover)
October	Machining centres	Subcontracting	Quality & Metrology	Deep hole drilling		Automotive	CADCAM & Production IT	IMTS review (12-17 September, Chicago) Advanced Engineering preview (November, NEC, Birmingham)
November	Turning	EDM	Additive manufacturing	Workholding & Accessories		Heavy engineering	Aerospace	EuroMOLD preview (6-9 December, Düsseldorf)
December	Tooling	Subcontracting	Coolants & Cutting oils	Grinding, Honing & Surface finishing		Speaking of Success		Autosport Engineering preview (14-15 January, 2017, NEC, Birmingham) EuroBLECH review
