Welcome Message

Dear friends and colleagues

We are very pleased to invite you to the third **London Breast Meeting**, scheduled for the 8th-10th September 2016.

The London Breast Meeting has quickly become an essential meeting in the academic diary, and the 2016 meeting will focus on the evidence, standards and controversies in aesthetic and reconstructive breast surgery. The programme has been designed to complement the Barcelona Breast Meeting programme.

The London and Barcelona Breast Meetings are now a part of the European Educational Network for breast surgery. The aim of this network is to advance the quality of all aspects of breast surgery, through different modalities of education.

London is a vibrant and exciting city, comprised of a variety of cultural, academic and scientific points of interest both new and old.

We hope you will join us in London to share your knowledge and experience.

If you are unable to attend the London Breast Meeting, you can register for our **live online broadcast** which will ensure that you don't miss a thing!

Visit <http://live.londonbreastmeeting.com> for details

Yours sincerely,

Jian Farhadi MD PD
