

SPRING (March)	Composites (JEC preview & show distribution)	Testing & Analysis	Plastics	Metals & Alloys	Aerospace	Engineering Materials Live show preview – also distributed at the event in May
SUMMER (June)	Composites	Testing & Analysis	Plastics	Coatings & Surface Treatment	Automotive	Manufacturing & Engineering North East
AUTUMN (September)	Composites	Testing & Analysis	Plastics	Metals & Alloys	Medical	Engineering Design Show preview – also distributed at the event in October
WINTER (November)	Composites	Testing & Analysis	Plastics	Multi-material joining and assembly	Energy/ Oil & Gas	

January

10th Plastics
24th Aerospace

February

14th Composites
28th Testing & Analysis

March

14th Plastics
28th Coatings & Surface Treatment

April

11th Composites
25nd Energy

May

9th Plastics
23rd Testing & Analysis

June

13th Composites
27th Automotive

July

11th Plastics
25th Testing & Analysis

August

8th Composites
22nd Metals & Alloys

September

12th Plastics
26th Medical

October

10th Composites
24th Testing & Analysis

November

14th Plastics
28th Coatings & Surface Treatment

December

5th Composites
12th Automotive
